

Mike Williams
Executive Vice-President, Corporate Services

Mike Williams joined Encana in March 2014. With over 30 years of global business experience, he is responsible for the effectiveness of the Human Resources, Information Technology, Facilities, Administrative Services, Communications and Travel support functions of the organization.

Before joining Encana, Mike was Executive Vice-President of Corporate Services with Tervita Corporation from 2011 to 2014. From 2002 to 2011, he was the Chief Administration Officer for TransAlta Corporation. Prior to this, he held senior executive positions with Lucent Technologies in Europe, Cisco Systems in the U.S., and Newbridge Networks Corporation in Canada.

Throughout his career, Mike has assisted leadership teams in successfully implementing strategy throughout all stages of the business cycle, from start-up to restructuring.

Mike is currently a board member of the Calgary Chamber of Commerce, chair of the Investment Committee and a member of the Governance and Human Resources Committee. He is also a member of the Calgary Food Bank. He is past co-chair of the United Way of Calgary information systems, energy and service sector, past chair of the Board of Hull Services, a past board member of Honens (World Federation of International Music Competitions) and a past board member of the Legacy Children's Foundation.

Mike holds a Bachelor of Arts degree from Cardiff University, U.K., and a post-graduate degree in Human Resources Management from Aston University, U.K.
