

EXPRESSION OF INTEREST (EOI) Fabrication General Contractor

BIDS Category: 2300, 2800, 9100, 9410, 9414
Reference: EN53
Issue Date: 18 August 2009
Closing Date: 31 August 2009

Introduction

EnCana Corporation is developing the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Produced gas will be transported by subsea pipeline to Goldboro, N.S., where it will be transported via the Maritimes & Northeast Pipeline (M&NP) to market. First gas from the project is expected in 2010.

EnCana is a leading North American unconventional natural gas and integrated oil company. EnCana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on EnCana, see www.encana.com.

Business Opportunities

EnCana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with EnCana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

Scope of Work

EnCana Corporation seeks qualified, experienced fabrication companies for the provision of labour, materials and equipment to fabricate seafastenings onboard the Rowan Gorilla III drilling rig (RGIII) under the direction and supervision of company's nominated Project Management Contractor.

It is expected that this work will be completed in Halifax Harbour over the period of less than one week in the September / October time period.

The scope of work includes seafastening of the following equipment to the RGIII deck pursuant to ABS approved drawings:

- ROV Spread
- Sub-sea Christmas Tree Test Stump Deck Connection
- Installation / Workover Control System (IWOCS) Spread
- Knuckle – Boom Crane IWOCS deployment system
- Well Testing Spread
- Flare Boom Pedestal.

The scope includes the provision of all certified welding personnel and supervisors to meet mobilization schedule. In addition to providing welders, respondents to this EOI will be required to supply painters, NDT inspectors, scaffolders, raw materials, welding materials and consumables, paint and scaffolding.

Submission Requirements

Respondents are advised that the Work carried out on the Deep Panuke Project shall comply fully with Canada Nova Scotia Offshore Petroleum Board Regulations. Respondents must have a significant working knowledge and experience in working within an effective permit to work system and associated work procedures and practices.

EOI respondents are required to have an implemented Quality Management System that complies with the requirements of the ISO-9000 series of Standards (or equivalent) and Safety Management System(s).

Submissions should include details regarding offshore experience and capabilities, manpower available with American Bureau of Shipping (ABS) or Canadian Welding Bureau (CWB) certification and supervisory experience. Completion of the prequalification questionnaire DMEN-PQ-DR-0006-01U is required.

EnCana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the EnCana website and other industry websites such as BIDS Nova Scotia. EnCana reserves the right to select more than one Contractor to execute the above Scope of Work.

EnCana is under no obligation to proceed with a Request for Proposal as a result of this call for Expression of Interest. Respondents that qualify will be invited to participate in the event proposals are solicited.

Please contact the undersigned to obtain the prequalification questionnaire and drawing set.

Expressions of Interest must be received on or before 31 August 2009 1:00 PM Atlantic time. All inquires and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
