

## **EXPRESSION OF INTEREST (EOI) Gas Export Pipeline In-Line Inspection Services**

PROVISION OF: Gas Export Pipeline In-Line Inspection Services  
BIDS Category: 5900 / 5960  
Reference: EOI PL24  
Issue Date: May 18, 2012  
Closing Date: June 1, 2012 1:00 pm Halifax local time.

### **Introduction**

Encana Corporation is the owner and operator of the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Natural gas from Deep Panuke will be processed offshore and transported, via subsea pipeline, to Goldboro, Nova Scotia for further transport to market via the Maritimes & Northeast Pipeline.

Encana is an innovative natural gas producer that safely and responsibly provides the energy used in communities across Canada and the United States. Encana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on Encana, see [www.encana.com](http://www.encana.com).

### **Business Opportunities**

Encana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with Encana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

### **Scope of Work**

Encana Corporation seeks qualified, experienced companies to provide in-line inspection services for the Deep Panuke 22-inch gas export pipeline in late 2012/early 2013.

The 22-inch offshore gas export pipeline is 175km in length (172km offshore and 3km onshore) and was installed in 2009 from landfall, located in Goldboro Nova Scotia, to the future location of the Deep Panuke Production Field Centre (PFC). The pipeline has a nominal inside diameter of 530.4mm.

The basis of this EOI is to obtain services for the provision of equipment and personnel to perform an in-line inspection of the 22-inch Gas Export Pipeline. The in-line inspection services will comprise the running of inertial mapping, caliper and magnetic flux leakage (MFL) inspection tools and the analysis and reporting of the collected information. The tools will be launched from the offshore Deep Panuke PFC to the onshore pig receiver located in Goldboro, Nova Scotia.

## Requirements

Respondents to this EOI are advised that the Work carried out on the Deep Panuke Project shall comply fully with Canada Nova Scotia Offshore Petroleum Board Regulations.

Respondents must have a significant working knowledge and experience in working within an effective permit to work system and associated work procedures and practices.

EOI respondents are required to have an implemented Quality Management System that complies with the requirements of the ISO-9000 series of Standards (or equivalent) and Safety Management System(s).

Respondents must be able to demonstrate that proposed services are suitable for the requirements outlined for the Deep Panuke Project and demonstrate previous experience on similar projects.

Encana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the Encana website and other industry websites. Encana reserves the right to select more than one Contractor to execute the above Scope of Work.

Encana is under no obligation to proceed with a Request for Proposal as a result of this call for Expression of Interest. Respondents that qualify will be invited to participate in the event proposals are solicited.

Interested firms are requested to demonstrate their capabilities and experience via a formal response to this EOI and the Prequalification Questionnaire, which can be obtained by contacting the Encana representative listed below.

Expressions of Interest must be received on or before **June 1, 2012 1:00 PM Atlantic time**. All inquiries and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
