

**ENCANA CORPORATION
Expression of Interest (EOI)**

PROVISION OF: Offshore Air Winch Rental and Rigging Supply
BIDS Category: 4830, 9336, 9857, 9860
Reference: FC06
Issue Date: 1 November 2010
Closing Date: 15 November 2010 1:00 pm Halifax local time.

Introduction

Encana Corporation is the owner and operator of the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Natural gas from Deep Panuke will be processed offshore and transported, via subsea pipeline, to Goldboro, Nova Scotia for further transport to market via the Maritimes & Northeast Pipeline (M&NP).

Encana is an innovative natural gas producer that safely and responsibly provides the energy used in communities across Canada and the United States. Encana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on Encana, see www.encana.com.

Business Opportunities

Encana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with EnCana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

Interested companies are requested to demonstrate their capabilities and experience via a formal response to this EOI.

Scope of Work

Encana seeks qualified, experienced companies in the Provision of Rental Services of Offshore Air Winches and Supply of Wire Rope in support of offshore construction activities associated with the Deep Panuke Platform Field Center installation program.

The preliminary details of this supply include:

- Rental of three (3 off) 10 tonnes Offshore air winches c/w internal automatic brakes.
- Supply of three (3 off) segments of Non-Rotational / Anti-Spin wire rope approximately 80m in length, and 25mm in diameter, c/w end terminations (wire rope size and details to be determined).

The rental period will be approximately two (2) months in duration occurring within Q2 - Q3 2011.

Requirements

EOI respondents are required to have an implemented Quality Management System that complies with the requirements of the ISO-9000 series of Standards.

Submissions should include, as a minimum, the following information:

- Brief overview of company background (date of company establishment, company structure, and locations of operation);
- Demonstration of similar previous experience in supply of air winch and wire rope equipment for offshore, subsea and industrial applications (list of previous project including applicable client and location); and
- Product specification sheets for the proposed offshore winches, wire rope, and proposed end terminations.

Encana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the Encana website and other industry websites such as BIDS Nova Scotia. Encana reserves the right to select more than one Contractor to execute the above Scope of Work.

Encana is under no obligation to proceed with a Request for Proposal as a result of this call for Expression of Interest. Respondents that qualify will be invited to participate in the event proposals are solicited.

Expressions of Interest must be received on or before **15 November 2010** 1:00 PM Atlantic time. All inquires and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
