

ENCANA CORPORATION Expression of Interest (EOI)

PROVISION OF:	Offshore Fisheries Observer
BIDS Category:	9472
Reference:	EN22
Issue Date:	October 30, 2008
Closing Date:	November 13, 2008

INTRODUCTION

EnCana Corporation is developing the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Produced gas will be transported by subsea pipeline to Goldboro, N.S., where it will be transported via the Maritimes & Northeast Pipeline (M&NP) to market. First gas from the project is expected in 2010.

EnCana is a leading North American unconventional natural gas and integrated oil company. EnCana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on EnCana, see www.encana.com.

PROJECT QUICK FACTS

- The project was approved for development by EnCana's Board of Directors in October 2007.
- EnCana has entered into an agreement with Single Buoy Moorings Inc. (SBM) for the provision and operation of the Deep Panuke production field centre.
- The design capacity of the project is 300 MMcf/d of sales-quality gas.
- Regulatory applications for Deep Panuke were filed in 2006, with approvals granted in 2007.

BUSINESS OPPORTUNITIES

EnCana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with EnCana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

Interested firms are requested to demonstrate their capabilities and experience via a formal response to this EOI.

SCOPE OF WORK

EnCana Corporation seeks qualified individuals, groups and/or companies for the provision of fisheries observer services for the development phase of its Deep Panuke gas development project offshore Nova Scotia in 2009 and 2010.

During the development phase of Deep Panuke, activities requiring the use of a Fisheries Observer will include the following:

- Installation of wellhead protection devices from a lift vessel
- Drilling program with a jack-up drilling rig
- Installation of export pipeline (pipelaying and trenching activities)
- Installation of flowlines and umbilicals (pipelaying, trenching and rock placing activities)
- Offshore transport and installation of the production platform to the field centre

The Fisheries Observer duties and responsibilities will include, but not be limited to:

- Liaison with the fishing industry during offshore construction activities
- Monitoring of site interactions with fishing vessels and gear
- Assisting with the communication to fishing vessels in the area
- Maintaining a log of observations and interactions with fishing activities
- Preparation of a final report to EnCana
- Participation in the Joint Occupational Health & Safety Committee
- Participation in spill investigations, as required

The Fisheries Observer must have current offshore related training, including Basic Survival Training, H₂S Awareness, Workplace Hazardous Materials Information System and Basic First Aid, or be positioned to be qualified by year end 2008 for such training. The Observer is required to have significant experience in the offshore fisheries and/or offshore fisheries observations. Any additional required specialized training will be arranged and paid for by EnCana.

INFORMATION REQUESTED WITH EOI RESPONSE

Respondents must submit a brief Company profile, contact details, key personnel and a summary of related experience including local Nova Scotia capabilities and all data pertinent to the scope of supply.

EnCana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the EnCana website and other industry websites such as BIDS Nova Scotia. EnCana reserves the right to select more than one Contractor to execute the above Scope of Work.

EnCana is under no obligation to proceed with a Request for Proposal as a result of this call for Expressions of Interest. Respondents that qualify will be invited to participate in the event Proposals are solicited.

Expressions of Interest must be received on or before 13 November, 2008. 1:00 PM Atlantic time.

All inquires and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
