<b>PROVISION OF:</b>	<b>Clearing of Pipeline Corridor (Revised)</b>
<b>BIDS Category:</b>	1100 1110
<b>Reference:</b>	EOI PL12
<b>Issue Date:</b>	November 20, 2008
<b>Closing Date:</b>	December 5, 2008

### **INTRODUCTION**

EnCana Corporation is developing the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Produced gas will be transported by subsea pipeline to Goldboro, N.S., where it will be transported via the Maritimes & Northeast Pipeline (M&NP) to market. First gas from the project is expected in 2010.

EnCana is a leading North American unconventional natural gas and integrated oil company. EnCana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on EnCana, see [www.encana.com](http://www.encana.com).

### **PROJECT QUICK FACTS**

- The project was approved for development by EnCana's Board of Directors in October 2007.
- EnCana has entered into an agreement with Single Buoy Moorings Inc. (SBM) for the provision and operation of the Deep Panuke production field centre.
- The design capacity of the project is 300 MMcf/d of sales-quality gas.
- Regulatory applications for Deep Panuke were filed in 2006, with approvals granted in 2007.

### **BUSINESS OPPORTUNITIES**

EnCana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with EnCana's requirements regarding Canada-Nova Scotia Benefits, during the tender process (see BIDS Nova Scotia address below).

Interested firms are requested to demonstrate their capabilities and experience via a formal response to this EOI.

### **SCOPE OF WORK**

EnCana Corporation seeks qualified, experienced contractors to provide services for the clearing of trees and brush within the pipeline corridor and metering sites in preparation for 2009 construction activities. Land clearing consists of the removal of trees, brush, and other woody materials.

**Note:** The scope of work provided in the original request for EOI for this package included grubbing of the site following clearing activities. Subsequently it has been determined that, due to environmental restrictions, grubbing cannot be undertaken until immediately prior to pipeline construction. Therefore, the grubbing scope of work has been deleted from this package and will be included under the pipeline construction contract scope of work.

The onshore pipeline Easement is approximately 3 km in length and is 25 metres in width.

The scope of work is summarized as follows:

- Clearing of the Pipeline Easement.
- Clearing of Metering Site (1 Acre)
- Removal and disposal of and/or Chipping and spreading on the easement of all unsalvageable timber.
- Removal and transportation of all salvageable timber to a specified location.
- Interested parties must include provision of all necessary personnel and equipment to complete the entire scope of work.

It is anticipated that the Work will be awarded in January of 2009, and must be complete before April 1, 2009.

#### **INFORMATION REQUESTED WITH EOI RESPONSE**

Respondents must submit a brief Company profile, contact details, key personnel and a summary of related experience including local Nova Scotia capabilities and all data pertinent to the scope of supply.

EnCana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the EnCana website and other industry websites such as BIDS Nova Scotia. EnCana reserves the right to select more than one Contractor to execute the above Scope of Work.

EnCana is under no obligation to proceed with a Request for Proposal as a result of this call for Expressions of Interest. Respondents that qualify will be invited to participate in the event Proposals are solicited.

Expressions of Interest must be received on or before **December 5, 2008 1:00 pm Halifax local time.**

All inquiries and Expressions of Interest must be clearly marked with the EOI reference number and should be directed to:
