

## EXPRESSION OF INTEREST (EOI) Field Survey Support Services

Provision of: Field Survey Support Services  
EOI Reference No: OP12  
BIDS Category: 9325  
Issue Date: January 10, 2011  
Closing Date: January 21, 2011

### Introduction

Encana Corporation is the owner and operator of the Deep Panuke natural gas project in Nova Scotia's offshore. The project involves the installation of the facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometres offshore Nova Scotia. Natural gas from Deep Panuke will be processed offshore and transported, via subsea pipeline, to Goldboro, Nova Scotia for further transport to market via the Maritimes & Northeast Pipeline (M&NP).

Encana is an innovative natural gas producer that safely and responsibly provides the energy used in communities across Canada and the United States. Encana common shares trade on the Toronto and New York stock exchanges under the symbol ECA. For more information on Encana, see [www.encana.com](http://www.encana.com).

### Business Opportunities

Encana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with Encana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

### Expression of Interest

Encana is seeking to pre-qualify experienced contractors for the purpose of coordinating and providing survey support services.

### Scope of Work

The Survey Support Services Scope of Work (the "Services") is to support the Deep Panuke production phase activities related to the inspection, repair and maintenance of the project's subsea infrastructure. The subsea infrastructure includes:

- 22-inch Offshore Gas Export Pipeline, 172km in length
- 8-inch Production Flowlines, 17km in length
- Umbilicals, 17km in length
- 5 Subsea Trees
- 5 Wellhead Protection Structures
- Subsea Isolation Valve Structure
- Production Field Center Scour Protection

The survey support services will be performed from Encana's dedicated supply/standby vessel, M/V Atlantic Condor.

The Survey Support Services provider will be responsible for the provision of survey equipment and personnel, preparation activities as well as providing procedures related to the services and data storage and reporting. The Survey Support Services provider must be from a recognized organization and must have demonstrated experience in providing the Services.

### **Information Requested with EOI response**

Interested firms are asked to submit a brief Company profile, contact details, key personnel and a summary of related experience including local Nova Scotia capabilities. A Prequalification Questionnaire must also be submitted, including all data pertinent to the scope of supply. The Prequalification Questionnaire may be obtained from Encana by contacting the undersigned.

Encana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the Encana website and other industry websites such as BIDS Nova Scotia. Encana reserves the right to select more than one Contractor to execute the above Scope of Work.

Encana is under no obligation to proceed with a Request for Proposal as a result of this call for Expressions of Interest. Respondents that qualify will be invited to participate in the event Proposals are solicited.

Expressions of Interest must be received on or before January 21, 2011, 1:00 Atlantic time.

All inquiries, Prequalification Questionnaire requests and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
