

DEEP PANUKE

EXPRESSION OF INTEREST (EOI): Marine Gas Oil (MGO) and Low Sulphur Diesel (LSD)

Bids Category: 9605, 9610

Package number: OP23 – Marine Gas Oil and Low Sulphur Diesel

Issue date: 14 March 2016

Closing date: 28 March 2016

GENERAL

Encana Corporation is the owner and operator of the Deep Panuke natural gas field in Nova Scotia's offshore. Natural gas from Deep Panuke is processed offshore at the Production Field Centre (PFC) with sales gas transported to market via a subsea pipeline making landfall at Guysborough County, NS. The PFC is located approximately 250 km southeast of Halifax.

Encana is a leading North American energy producer that is focused on developing its strong portfolio of resource plays, held directly and indirectly through its subsidiaries, producing natural gas, oil and natural gas liquids (NGLs). By partnering with employees, community organizations and other businesses, Encana contributes to the strength and sustainability of the communities where it operates. Encana common shares trade on the Toronto and New York stock exchanges under the symbol ECA.

Further information on Encana Corporation is available on the company's website, www.encana.com. Further information on Deep Panuke is available at www.encana.com/deeppanuke.

Business Opportunities

Encana is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis. Companies who have been invited to tender will be required to complete a Canada-Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with Encana's requirements regarding Canada-Nova Scotia Benefits, during the tender process.

Interested firms are requested to demonstrate their capabilities and experience via a formal response to this EOI and the Prequalification Questionnaire, which can be obtained from Encana at the address provided below.

Scope of Work

Encana is seeking interested firms for the provision of marine gas oil (MGO) and low sulphur diesel (LSD) for its offshore production operations and contracted supply vessels that service Deep Panuke. The MGO will be required for offshore support vessels on an as-required, 24-

hours-per-day, 7-days-per-week basis. Approximate consumption is 4,500 cubic metres per year. This is an estimate only and does not imply a minimum or maximum quantity. Preferred product delivery is at the supplier's dock facility or via barge, truck or rail car.

Any contract resulting from this EOI is estimated to be awarded in Q2 2016. The supplier must comply with all laws, regulations and orders applicable to storage, handling, transportation, and delivery of products.

Requirements

1. Interested parties are required to have an EH&S Management System and a registered Quality Management System and a current certificate issued by a recognized third party that certifies that the Quality Management System meets the requirements of the ISO 9001.
2. All work carried out for Deep Panuke shall comply fully with Canada-Nova Scotia Offshore Petroleum Board Regulations.
3. Contractors shall have previous experience with carrying out the work similar to that specified by this EOI.

Information Requested with EOI response

Respondents are requested to provide a brief Company profile, contact details, key personnel and a summary of related experience including Nova Scotia and Canadian capabilities and all data pertinent to the scope of work.

Encana will select qualified bidders using the responses to this EOI as a guide. Any eventual list of Bidders will be posted on the Encana website and other industry websites such as BIDS Nova Scotia. Encana reserves the right to select more than one Contractor to execute the above Scope of Work.

Encana is under no obligation to proceed with a Request for Proposal or Quote as a result of this call for Expressions of Interest. Respondents that qualify will be invited to participate in the event Proposals or Quotes are solicited.

Expressions of Interest must be received electronically on or before **March 28, 2016** at 1:00 PM Atlantic time.

All inquiries and Expression of Interest must be clearly marked with the EOI reference number and should be directed to:
